

**BURDEN BROS**  
CONSTRUCTION LTD

## About Burden Bros Construction Ltd

We are a civil engineering contractor specialising in portal frame buildings, concrete works, structural steelwork, onsite drainage solutions and general groundworks for commercial, industrial and agricultural sectors.

We have completed the construction of numerous agricultural facilities throughout the country, ranging from cold storage buildings, grain stores, cattle housing/handling, workshops, and bespoke general-purpose buildings.

We undertake the role of the principal contractor. We manage all the stages of the construction build and offer a full design and build service.
